

OUR INFORMATION SECURITY POLICY

Gülsan Sentetik Dokuma Sanayi ve Ticaret A.Ş. has specialized in its field with its firsts and principles and has taken the first place among the companies operating in the sector.

For the continuity of this success of our company and to compete in the national and international markets, we, as all employees, promise that we will not compromise on our information security principles.

OUR INFORMATION SECURITY PRINCIPLES

- To implement an Information Security Management System that complies with laws, regulations and standards with the full support of senior management,
- To continuously improve and develop our Information Security Management System with the full participation of all employees,
- To protect the confidentiality of information belonging to our customers, suppliers, employees and other business partners,
- To control, monitor and review the efficiency of the system through the internal and external audits and to ensure continuous harmonization of the system.
- To provide the necessary resources for hardware, software, training and other activities to reduce information security risks and to ensure the continuity of these resources.

Mustafa TOPÇUOĞLU
Chairman of the Board
